The Annual Quality Assurance Report (AQAR) of the IQAC

Name of the Institution : Shri Bankatswami Mahavidyalaya,
Beed – 431122.(Maharashtra)

Year of Report : 2005 – 2006

: Part – A :

The plan of action chalked out by the IQAC in the beginning of the academic year and the outcome achieved by the end of the year.

: Plan of Action :

1. The college organized computer literacy programme for the students of B.A , B.Com III Year and M.A. II Year. Basic introduction to the fundamentals of computer is covered in this short term programme.
2. The same computer course is introduced to the non-teaching staff and faculty.
3. The college organized Inter-collegiate General Knowledge Test.
4. One day farmer orientation programme is organized in college
5. Classroom test is made compulsory after the teaching the every unit of the subject.
6. Language teachers arranged special classes / spoken classes for improvement in communication skills of the students.

7. Remedial coaching classes are arranged for educationally poor students.
8. Reading English sessions are organized to improve pronunciations of the students.
9. Audio - Visual Aids are used in classroom teaching.
10. The improvement and evaluation of the students is observed by the heads of the subjects and the principal.
11. Teachers are encouraged to participate in National / state level seminars, conferences and workshops.
12. Social service programs are organized by NSS and NCC units of the college.
13. Students are encouraged to participate in debate competition, youth festival etc.
14. Parents – teacher meet is organized in the college.
15. Research activities are encouraged.

Outcome

1. There was huge and positive student's response to the programme of introduction to the fundamentals of computer. They felt confident in handling of computers and internet after this short computer literacy programme. They were also encouraged to learn advanced computer knowledge by different computer courses.
2. The Inter-collegiate General Knowledge Test created new zeal and interest amongst the students and awareness about various competitive examinations is increased.
3. Since most of the students are from farming background. Students along with the farmers parents and farmers. The area is benefited by the farmer orientation programme.

4. Teaching activity becomes more lively process by using teaching aids in classroom.
5. Preference and improvement of students in examinations increased.
